Email Address	

Terms and Conditions	
<ul style="list-style-type: none"> • The Named Person is only permitted to work exclusively with the Company to undertake Environmental Technology Surveys. • The Name Person must adhere to the Company's Code of Conduct. • The Company will provide training on how the Named Person will conduct their surveys. • The Company will provide technical support to the Named Person in the execution of their surveys. • The Named Person must notify the Company of all surveys completed using the on line survey tool. • The Company will provide remuneration to the Named Person on completion of each installation. • The Company reserves the right to reject or revoke the Named Person from the scheme. • The Named Person agrees that they will not disclose, divulge, reveal, report or use, for any purpose, any confidential information with respect to the business of the Company, which the Named Person has obtained, except as may be necessary or desirable to further the business interests of the Service Provider. This obligation will survive indefinitely upon termination of this Contract. • All materials, including software, developed, produced, or in the process of being so under this Contract, will be the property of the Company. • It is understood and agreed that the Company will have no liability to the Named Person or any other party for any loss or damage (whether direct, indirect or consequential) which may arise from the provision of the Services. • The Company cannot provide definitive rulings and guidance relating to the legal obligations for the renewable product installations. In such instances where clarity of information is required, the member will be required to take independent advice. • Resolution of all complaints will not incur any cost to the Named Person. 	

I confirm I am duly authorised to act on behalf of the company name above, and I understand that I will be held personally liable in the event that I am not authorised to act on behalf of this entity
